**Minutes of the Winneshiek County
Historic Preservation Commission
Meeting**

**April 16, 2011
8:30 A.M.**

Vesterheim Westby-Torgerson Education Center

Present: Ferneva Brimacomb, Dave Stanley, Janelle Pavlovec, Roger Bergan, and Steve Johnson.

Steve brought the meeting to order noting that the only item of business was selecting a candidate for recommendation to the Board of Supervisors to replace Kevin Lee. Steve said it was his understanding that a discussion had taken place last week and he felt Dean Thompson was his first choice.

Dave felt that way also as did Roger and Ferneva.

Janelle said she supported Paul Cutting because he is younger and has experience in preservation. Dave said, yes he is younger, but lacks the overall depth of experience at the professional level that Dean has. Janelle noted that the Commission already has one archeologist and felt that was enough.

Dave moved to vote and Roger seconded the motion. Dave, Roger, Ferneva, and Steve voted to recommend Dean. Janelle voted for Paul.

The meeting adjourned at 8:40 A.M.
