Steve opened up the meeting with a presentation of the National Register nomination for the Calmar Depot which would be reviewed by the state committee that would make recommendations for the National level of review. Everyone thought it looked good. Dave offered to sign the professional evaluation portion of the SHPO document, which he did.

Dave moved to approve this motion and Mike seconded motion. It was approved unanimously.

Dave also said he would contact Dave Anderson in order to obtain the SHPO comments regarding the draft nomination. Dave said he would make copies of the nomination and scan the photos so there is an electronic copy.
