

WCPCC June 30, 2018 11:04am call to order

Tony, Wayne, Carleton, Stacey, Halley, Jody

Guest: Elizabeth

Secretary's Report: Halley Moves to approve, Carleton 2nd - passes unanimously

Treasurers Report: Halley has one bill for renting the mower from Decorah Rental 66.40. Janelle Moves to approve Treasurers report and pay bills, Wayne 2nd - passes unanimously

On Saturday June 16th there was an incident at Pugin Beard Cemetery with our mower and a person camping at the cemetery. WCPCC is staying in touch with the Winn Co Sheriff and the Winn Co Attorney about resolving the issue.

SAPIC meeting: nothing new to report.

County Shed: Tony talked to Cory at the County shop at they will level a spot behind the shed in Freeport and put down gravel for a spot to park our trailer in lieu of building a lean-to on to the building.

We had work day this morning at Crossroads. The monument was moved the location it will be erected. We dug a hole and put in several buckets of infill/rock to steady the base. We were able to obtain a base that will work for this monument at no cost from Kevin Lee. Tony and Carleton picked it up. We ran out of time allotted (it was extremely hot so we only were going to stay very a certain period of time) and infill so will make plan to go out and finish this project at a later date. Halley thinks it will need to be mowed again before we go back out there again. We will meet at Crossroads at 4pm on July 24th to finish up with the Crossroad stone project.

Halley Moves to adjourn, Jody 2nd - passes unanimously
