Dear Board of Supervisors:

The Winneshiek County Historic Preservation Commission would like to request an appropriation allotment for 2019 – 2020 from Winneshiek County for the purpose of carrying out the preservation programs of our CLG. We are requesting the amount of \$2,600 to be used in the following manner:

- Funding to research and survey historic mills, both extant and non-extant, in Winneshiek County \$2,000.00
- Registration, travel and lodging expenses for historic preservation conferences \$400.00
- Postage, office supplies, miscellaneous expenses \$200.00

Please review the one-page report enumerating last year's actual expenses. The commission is currently involved in the survey and publication on the Stone Structure Survey of Winneshiek County. Last year the commission leveraged your allotment of \$2000.00 and successfully raised another \$7,000. At the moment the commission is working with Upper Explorerland on a grant application for \$3,000.00 to cover the publication cost for the booklet entitled *Stone Structures of Winneshiek County*.

The commission appreciates your continued support in the past years and look forward to working with you in the coming year. Thank You.

Sincerely,

Steve Johnson, Chair
Winneshiek County Historic Preservation Commission
