## Winneshiek County Roadside Maintenance Agreement Request

**Name:** \_\_\_\_\_ **Phone:** \_\_\_\_\_

**Address:** \_\_\_\_\_

**City/State/Zip:** \_\_\_\_\_

I request Winneshiek County Secondary Roads Department not to apply herbicides within the right of way adjacent to the land designated below located in Section\_\_\_\_\_, of Township\_\_\_\_\_

### Areas That Are Not To Be Treated

(Please be as specific as possible – feel free to include an illustration of the area on the back)

**Road Name** \_\_\_\_\_ **Side of Road** \_\_\_ **N S E W** \_\_\_\_\_

**From** \_\_\_\_\_

**To** \_\_\_\_\_

**Road Name** \_\_\_\_\_ **Side of Road** \_\_\_ **N S E W** \_\_\_\_\_

**From** \_\_\_\_\_

**To** \_\_\_\_\_

In return, I ask permission to work within the public right of way to remove noxious weeds and to remove brush by cutting and treating the stumps. A completed Permit to Work Within the Right of Way must also be on file with the Secondary Roads Dept. Roadside Maintenance Agreement signs must be posted in **visible** locations at each end of the Maintenance Agreement area to define boundaries. Signs must have an unobstructed view from the road and must be a minimum of 5 feet above the ground. This agreement **does not** prohibit herbicide applications by utility companies or other entities that have legal right and maintenance requirements in the county right-of-way.

I fully understand that I am to destroy State & County listed noxious weeds by **June 15 of every year**, and remove all brush and trees in accordance with Winneshiek County Noxious Weed and Brush Control Policies, or the same may be removed by Winneshiek County and this or future permits may be revoked. This is a long-term agreement, and is effective until **three (3) years** from date below.

Winneshiek County reserves the right to spray, cut and mow right-of-way under their jurisdiction when, in the opinion of the County, there is an issue that affects the safety of the traveling public. The County will make every attempt to give the permit holder time to address issues of safety whenever possible. However, the County may be forced to address issues of safety without notice to the permit holder.
