Rhonda Olsgard, resident of Townline Road, met with the Board to present a petition from residents and users of the road to include Townline Road in the next 5-year road plan to be hard surfaced. She outlined many safety concerns with the road as it currently is. The Board will review the traffic counts and discuss this more at a future meeting.

The Board discussed some draft advertisements for the County Engineer vacancy. Moved by Kelsay and seconded by Faldet to use option three with the small edits as discussed. Motion carried unanimously.

Andy Van Der Maaten, County Attorney, met with the Board to discuss county issues. After another request from a citizen, Van Der Maaten outlined the advantages of recording the Board meetings for posting on YouTube. Because of the legal protection offered by an official video copy of the meetings, he recommended the Board start doing this. He will discuss with the IT department the logistics and expenses associated with this, and report back to the Board. The Board will discuss this at a future meeting.

Moved by Kelsay and seconded by Vermace to adjourn to 9:30am Monday, June 26, 2023. Motion carried unanimously.
